

Timberhawk Building Systems

Bid Request Form

Step 1 – Fill out the following information:

Location of building:

Size of building:

Wall height:

Roof pitch:

Would you like us to bid the concrete?

Would you like us to bid roofing? If so, what type (shingles or metal)?

Would you like us to bid vinyl siding or stucco?

Would you like a bonus room or attic above the building?

When would you like to start this project?

Any other information we should know?

Step 2 – Draw a sketch of your floor plan a side view. Please include window and door locations and sizes, as well as basic dimensions. These sketches will make it much easier for use to give you an accurate bid.

Step 3 – Fax this form and your sketches to 866-324-0513, or you can scan and email them to justinj@timberhawk.com. We should have you a draft plan and price within 24 hrs.
